Dear Junior Golfer,

The Yuma Junior Golf Association is ready to serve you. This association is designed to bring all of Yuma's junior golfers together as a collective group. The mission of the YJGA is to serve the junior members by providing them with a monthly newsletter that highlights upcoming tournaments, clinics, equipment sales and other association activities. We also have local businesses that are supportive of junior golf and are willing to provide discounts and special privileges to YJGA members.

The strength of an association is determined by the size of its membership, and through the numerous programs with which I have been involved, I believe that 200 members is a realistic number. This is the first year that memberships are being offered, and we are excited about informing our charter members of the upcoming junior golf activities in Yuma.

We look forward to meeting you and sharing wonderful golfing experiences.

Yours sincerely,  
Craig Hocknull, PGA Member  
Owner of Pure Vision Golf

If this sounds like a great idea and you want to be involved.

- (1) Forward this email to all of your friends.
- (2) Print this flyer and fill out information below.
- (3) Mail in your membership.
- (4) Look forward to receiving your membership newsletter highlighting our up coming activities.
